Grant Thornton

Technology M&A

Transcript

Technology used to be the last question in the deal.
Now it can shape the price
and the path to value.

Senior, experienced-led team driving connected insights across enterprise technology, product, cyber, digital and AI.

We connect every insight to commercial outcomes, financial and operational outcomes.

Building conviction to underwrite
Protecting Day 1
Accelerating value together

We don’t stop at identifying risk.
We engineer value and move the deal

Connected Insights.
Confident Decisions.
Measurable Value.
