Accounting Standards Updates

This schedule is not a substitute for reading the Accounting Standards Updates. Some effective date and transition requirements have been paraphrased in this document.

ASU 2024-02

Codification Improvements – Amendments to Remove References to the Concepts Statements

Effective Date

Public business entities – Fiscal years beginning after December 15, 2024.

All other entities – Fiscal years beginning after December 15, 2025.

Early application is permitted for any fiscal year or interim period if the financial statements have not yet been issued or been made available for issuance. If adopted in an interim period, entities must adopt amendments as of the beginning of the fiscal year including the interim period.

Transition: ASC 105-10-65-9; Either (1) retrospectively to all prior periods presented in the financial statements, or (2) prospectively to all new transactions.

ASU 2024-01

Scope Application of Profits Interest and Similar Awards (ASC 718, Compensation – Stock Compensation)

Effective Date

Public business entities: Annual periods, including interim periods within those periods, beginning after December 15, 2024.

All other entities: Annual periods, including interim periods within those periods, beginning after December 15, 2025.

Early adoption is permitted for both interim and annual financial statements that have not yet been issued or been made available for issuance. If adopting in an interim period, an entity must adopt amendments as of the beginning of the annual period that includes the interim period.

Transition: ASC 718-10-65-17; Either (1) retrospectively to all prior periods presented in the financial statements, or (2) prospectively to profits interest and similar awards granted or modified on or after the date when the amendments are first applied.

ASU 2023-09

Improvements to Income Tax Disclosures (ASC 740, Income Taxes)

Effective Date

Public business entities – Annual periods beginning after December 15, 2024.

All other entities – Annual periods beginning after December 15, 2025.

Early adoption is permitted for annual financial statements that have not yet been issued or been made available for issuance.

Transition: ASC 740-10-65-9; Prospectively for annual periods beginning after the effective date. Retrospective application permitted to each period presented in the financial statements.

ASU 2023-08

Accounting for and Disclosure of Crypto Assets (ASC 350-60, Intangibles – Goodwill and Other – Crypto Assets)

Effective Date

All entities – Fiscal years, including interim periods within those years, beginning after December 15, 2024.

Early adoption is permitted for both interim and annual financial statements that have not yet been issued or been made available for issuance. If adopting in an interim period, entity must adopt the amendments as of the beginning of the fiscal year that includes the interim period

Transition: ASC 350-60-65-1; Modified-retrospective method, with a cumulative-effect adjustment to opening balance of retained earnings (or other appropriate component) as of the beginning of the annual reporting period in which entity adopts the amendments

ASU 2023-07

Improvements to Reportable Segment Disclosure (ASC 280, Segment Reporting)

Effective Date

All entities – Fiscal years beginning after December 15, 2023 and interim periods within fiscal years beginning after December 15, 2024.

Early adoption is permitted.

Transition: ASC 280-10-65-1; Retrospectively to all prior periods presented, unless impracticable to do so.

ASU 2023-06

Disclosure Improvements: Codification Amendments in Response to the SEC's Disclosure Update and Simplification Initiative

Effective Date

Entities subject to SEC disclosure requirements and those required to file or furnish financial statements with or to the SEC – Each amendment is effective on the date when the SEC removes the related disclosure from Regulations S-X or S-K.

Early application is prohibited.

All other entities – Two years after effective date for entities subject to SEC disclosure requirements and those required to file or furnish financial statements with or to the SEC. Early adoption permitted.

Transition: ASC 105-10-65-7; Prospectively.

ASU 2023-05

Recognition and Initial Measurement (ASC 805-60, Business Combinations – Joint Venture Formations)

Effective Date

All joint venture entities: January 1, 2025

Joint venture entities formed before January 1, 2025: May elect to apply amendments retrospectively or prospectively as of the date of the formation of the joint venture entity, including early adoption in any interim or annual period if the financial statements have not yet been issued or been made available for issuance.

Transition: ASC 805-60-65-1.

ASU 2023-02

Accounting for Investments in Tax Credit Structures Using the Proportional Amortization Method (a consensus of the Emerging Issues Task Force) (ASC 323, Investments – Equity Method and Joint Ventures)

Effective Date

Public business entities – Fiscal years, and interim periods within those years, beginning after December 15, 2023.

All other entities – Fiscal years, and interim periods within those years, beginning after December 15, 2024.

Early adoption, including in an interim period, is permitted. If adopted in an interim period, the adoption should be as of the beginning of the fiscal year that includes that interim period.

Transition: ASC 323-740-65-2; either modified retrospective or retrospective application.

ASU 2023-01

Common Control Arrangements (ASC 842, Leases)

Effective Date

All entities – Fiscal years, including interim periods within those years, beginning after December 15, 2023.

Early adoption, including adoption in an interim period, is permitted. If adopted in an interim period, the adoption should be as of the beginning of the fiscal year that includes that interim period.

Transition:***Terms and conditions to consider in leases between entities under common control***

ASC 842-10-65-7; Entities adopting the guidance on terms and conditions to consider in leases between entities under common control concurrently with adopting ASC 842 must follow the same transition requirements under ASC 842; otherwise, apply amendment either (1) prospectively to arrangements that begin or are modified on or after the date of adoption, or (2) retrospectively to the beginning of the period of adoption of ASC 842, except for arrangements that do not exist on the date of adoption of ASU 2023-01.

Accounting for leasehold improvements

ASC 842-10-65-8; Entities adopting the accounting for leasehold improvements provision concurrently with adopting ASC 842 may use either (1) the same transition requirements under ASC 842, or (2) one of two prospective approaches outlined in the amendments. All other entities are required to adopt the amendment by using one of two prospective approaches or by retrospectively applying the amendment to the beginning of the period of adoption of ASC 842.

ASU 2022-05

Transition for Sold Contracts (ASC 944, Financial Services – Insurance)

Effective Date

Amendments effective concurrently with amendments in ASU 2018-12, as amended by ASU 2020-11 (see below).

Early application is permitted.

Transition: ASC 944-40-65-2; same as transition guidance in ASU 2018-12, as amended by ASU 2020-11 (see below).

ASU 2022-04

Disclosure of Supplier Finance Program Obligations (ASC 405-50, Liabilities – Supplier Finance Programs)

Effective Date

All entities that use supplier finance programs connected with purchases of goods and services – Fiscal years, including interim periods within those years, beginning after December 15, 2022, except for amendment on rollforward information, which is effective for fiscal years beginning after December 15, 2023.

Early adoption is permitted.

Transition: ASC 405-50-65-1; Retrospectively to each period a balance sheet is presented, except for amendment on roll-forward information, which is applied prospectively.

ASU 2022-03

Fair Value Measurement of Equity Securities Subject to Contractual Sale Restrictions (ASC 820, Fair Value Measurement)

Effective Date

Public business entities – Fiscal years, including interim periods within those fiscal years, beginning after Dec. 15, 2023.

All other entities – Fiscal years, including interim periods within those fiscal years, beginning after Dec. 15, 2024.

Early adoption is permitted for interim and annual financial statements that have not yet been issued or been made available for issuance.

Transition: ASC 820-10-65-13; Prospectively for all entities, except that investment companies are only required to apply amendments to contractual restrictions that are executed or modified after the date of adoption.

ASU 2022-01

Fair Value Hedging – Portfolio Layer Method (ASC 815, Derivatives and Hedging)

Effective Date

Public business entities – Fiscal years, and interim periods within those years, beginning after December 15, 2022.

All other entities – Fiscal years, and interim periods within those years, beginning after December 15, 2023.

Early adoption permitted if entity has already adopted amendments in ASU 2017-12.

Transition: ASC 815-20-65-6; Prospectively, except for certain amendments that require modified retrospective application.

ASU 2021-08

Accounting for Contract Assets and Contract Liabilities from Contracts with Customers (ASC 805, Business Combinations)

Effective Date

Public business entities – Fiscal years, including interim periods within those years, beginning after December 15, 2022.

All other entities – Fiscal years, including interim periods within those years, beginning after December 15, 2023.

Early adoption is permitted, including in an interim period, if the financial statements have not yet been issued or been made available for issuance. An entity that early adopts in an interim period should apply the amendments (1) retrospectively to all business combinations that occur on or after the beginning of the fiscal year that includes the

interim period of early application, and (2) prospectively to all business combinations that occur on or after the date of initial application.

Transition: ASC 805-20-65-3; Prospectively.

ASU 2021-01

Scope (ASC 848, Reference Rate Reform)

Effective Date (as amended by ASU 2022-06)

All entities – As of January 7, 2021.

Sunset Provision

The guidance may not be applied to contract modifications and new hedging relationships entered into after December 31, 2024. Certain optional expedients may be applied to hedging relationships that exist as of December 31, 2024 through the end of those relationships.

Transition: ASC 848-10-65-2; Either (1) retrospectively as of any date from the beginning of an interim period that includes March 12, 2020, or (2) prospectively.

ASU 2020-11

Effective Date and Early Application (ASC 944, Financial Services – Insurance)

Effective Date

The amendments are effective upon issuance (November 5, 2020) and amend the effective date of ASU 2018-12 (see ASU 2018-12 below).

ASU 2020-04

Facilitation of the Effects of Reference Rate Reform on Financial Reporting (ASC 848, Reference Rate Reform)

Effective Date (as amended by ASU 2022-06)

For all entities – As of March 12, 2020

Sunset Provision

The guidance may not be applied to contract modifications and new hedging relationships entered into after December 31, 2024. Certain optional expedients may be applied to hedging relationships that exist as of December 31, 2024 through the end of those relationships.

Transition: ASC 848-10-65-1; Prospective.

ASU 2019-09

Effective Date (ASC 944, Financial Services – Insurance)

Effective date

The amendments are effective upon issuance (November 15, 2019) and amend the effective date of ASU 2018-12. (See ASU 2018-12 below)

ASU 2018-12

Targeted Improvements to the Accounting for Long-Duration Contracts (ASC 944, Financial Services – Insurance)

Effective date (as amended by ASU 2019-09 and 2020-11)

SEC Filers (excluding smaller reporting companies) – Effective for fiscal years, and interim periods within those fiscal years, beginning after December 15, 2022.

All other entities – Effective for fiscal years beginning after December 15, 2024 and for interim periods within fiscal years beginning after December 15, 2025.

Early adoption is permitted as of the beginning of the prior period presented or as of the beginning of the earliest period presented.

Transition: ASC 944-40-65-2; For the liability for future policyholder benefits for traditional and limited-payment contracts and deferred acquisition costs, apply the amendments to contracts in force as of the beginning of the earliest period presented on the basis of their existing carrying amounts, adjusted for the removal of any related amounts in accumulated other comprehensive income. Insurance entity may elect to apply the amendments in this ASU retrospectively, with a cumulative catch-up adjustment to the opening balance of retained earnings as of the beginning of the earliest period presented, using actual historical information as of contract inception.

For market risk benefits, insurance entity should apply the amendments in this ASU retrospectively as of the beginning of the earliest period presented.
