

Make your future bolder with Empower

Empower is Grant Thornton's premier student growth program, designed to help you build clarity, skills and connections for what comes next. In this virtual experience, you'll get a closer look at the professional services industry, explore career paths that fit your strengths, and grow through interactive, skill-building sessions. Along the way, you'll connect with Grant Thornton professionals who will share their insights, answer your questions and help you navigate what's ahead. You'll also learn about internships and a wide range of future opportunities across the firm.
